Claudio Kühn joined the firm in February 2017 and advises on corporate law and finance, banking and capital markets as well as dispute resolution.

His special focus is on venture capital and private equity investments. Claudio gained broad experience in this field as in-house counsel for a Rocket Internet start-up venture, directly advising the global management on a wide range of legal matters. He consolidated his expertise in corporate law and M&A at a number of leading law firms in Munich, Berlin, Hamburg and Düsseldorf.

Another of Claudio's key practice areas is advising German companies abroad on cross-border legal issues. He worked for law firms in Istanbul and Shanghai and supported the Middle East desk of the Federal Foreign Office.

Claudio studied at the Universities of Mainz, Lausanne and Munich (LMU) and was a visiting researcher with the Max Planck Institute for foreign and international Private Law. He is currently wrapping up his PhD thesis with a focus on corporate law and also advises a startup-entrepreneur-network he helped to establish.
